## Chapter Director Chatter

Greetings Everyone,

We hope that everyone is doing well. Wow how the weather is changing and it's kinda nice having the cooler temps. Hopefully you have had a great summer of riding.

Some new changes we want to share with you is this will be the last regular newsletter. Starting next month, you can go to the Chapter website and look on activities and events that will be happening for the month.

We will still send out email reminders and you can also go to the Facebook page and be notified of events that way.

At our last staff meeting we decided to make a couple of changes. We will be making some changes with our website. With that being said, if you know of any companies that would like to advertise and or promote their business, they will need to be a sponsor or pay a low cost of \$25.00 a year advertising fee. For more information on this, please contact Bijou White at, [thebij47@gmail.com](mailto:thebij47@gmail.com) or Monty Breuer at, [raftinone@msn.com](mailto:raftinone@msn.com)

If you would like to write an article about a vacation trip you took, we would love to share it on the website. Please submit it to Monty or I and we can have it submitted on the page.

Don't forget September 21st is Chapter WA-P End of Season gathering and Ride. This most likely will be the last meeting for Chapter P as Chapter Director Rose Hibbs and her husband Bruce will be stepping down this year. For those of you who would like to support and attend Chapter P event we can just meet up at the Old Creek Side Cafe in Longview. 8AM is Breakfast and Ride shortly after gathering.

Oregon District End Of Season Campout is September 27-28,2019

The event will be at Curt and Jan Frink's property in Salem. The address is 6372 Sunnyview Rd NE Salem. Fun day filled with games and friendship, so come on out.

We will be doing a CPR/First Aid class in the winter time. Please let Monty or I know if you would like to attend as we already have a few couples signed up.

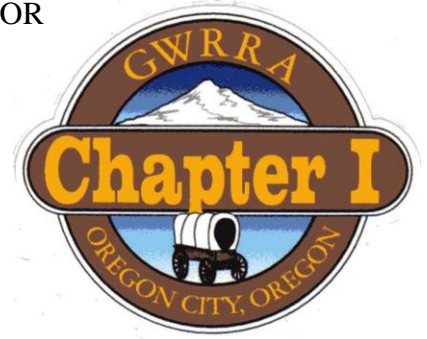

In closing, we would like to say your always welcome to join us on the 2nd Saturday of every month at the Bomber Restaurant 8AM Eat and 9AM Gathering.

More events and activities to be added soon, keep at eyes on the website!

Ride Safe, Be Safe and Hope to see you real soon.

## CHANGING SEASONS

Fall is upon us and with it comes the Oregon rain. This brings hazards that we often forget about during the sunny dry weather. Remember that painted road markings and railroad tracks can be very slick so avoid changes in your traction such as turns, braking and acceleration.

Be aware that lane arrows and crosswalk lines will be slippery be careful with your foot placement when stopping at intersections. Speaking of intersection stops, don't forget about the engine oil stains in the center of the lane. First rains get the soaked in oil floating on the surface and create a very slick surface!

Check your tires for remaining tread. Tread levels that passed for dry weather may not be enough to prevent hydroplaning on wet surfaces.

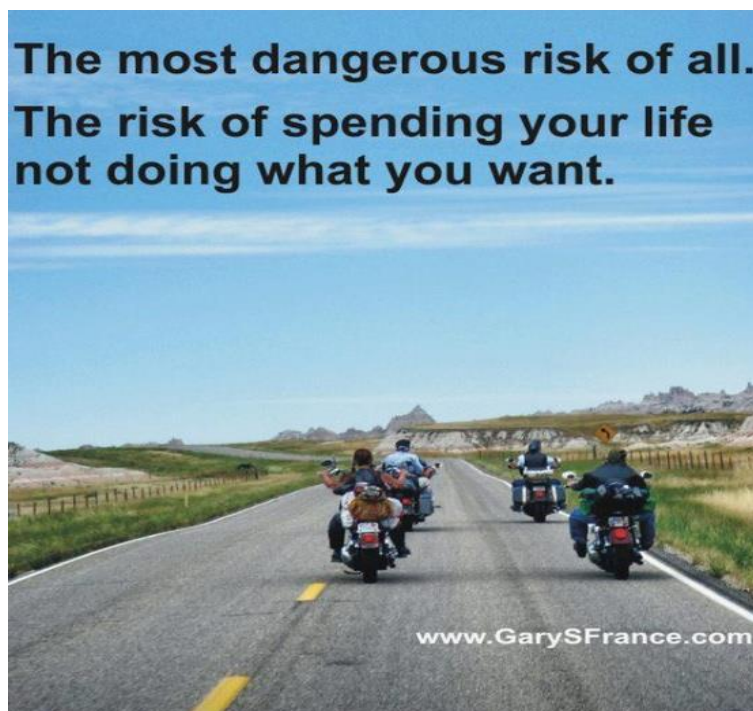

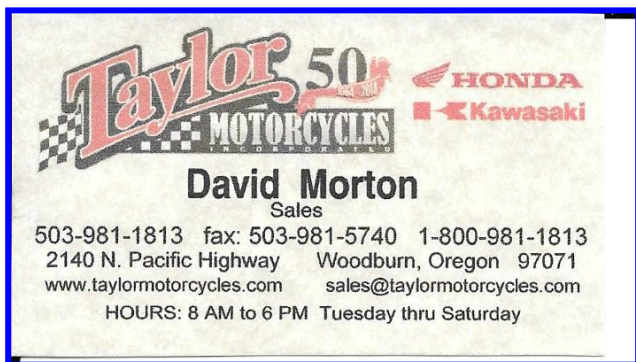

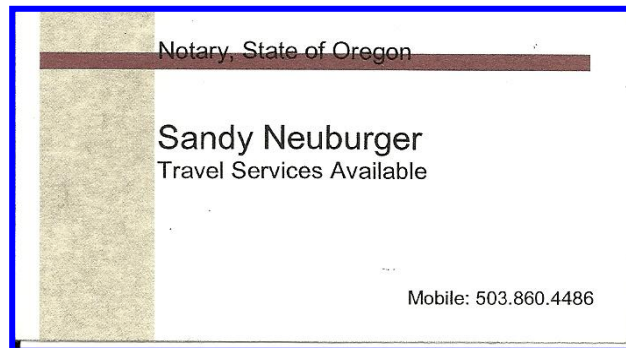

Finally, if you removed your wet weather rain gear from the bike, it's time to start carrying it again.

We've got some fun events coming up in September and October. Keep an eye on the chapter Facebook site and your email.

Keep the shiny side up!
